Subject: Clarke letter - CBI designation

Good morning,

Clarke's Jan. 12 letter to Ed Messina is marked as "Confidential Business Information". In order to review your letter and provide information to EPA colleagues, I have several requests -

- (1) Can you please provide a letter that is not CBI that may be circulated among the EPA staff that are working on this matter?
 - a. This may be the body of the letter and attachments that are not CBI
- (2) For your CBI designation is this TSCA or FIFRA CBI?
- (3) Can you indicate which attachments specifically are CBI (and under which statute)?

Thank you,
Diana
